

Township of North Dundas

COUNCIL REPORT

To:	CAO, Mayor and Members of Council
From:	Dan Belleau – Director of Public Works
Date of Meeting:	February 5, 2013
Subject:	Monthly Report

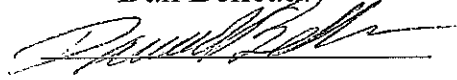

- **Winter Control:** We will be ordering more winter sand for the duration of the winter; we are also trying out a new product to mix in with our winter sand this new product should help us cut back on usage of salt and less harmful for the gravel roads. We will be monitoring this product very closely for future use with our salt and sand.
 - **Storm sewer for Winchester:** A notice of intention to pass a local improvement by-law has been sent out to affected land owners, to inform them that a public meeting to discuss the project will be held on February 19, 2013 at 7:00pm in the Council Chambers. (See attached letter)
 - **Baldwin Bridge:** Opening RFQ on Friday February 1, 2013 will have results for Council meeting.
 - **Cross Walk from Food Land to Drugstore:** Gathering information will have report for Council at a later date.
 - **Mechanic:** The mechanics are working on the water tanker that Winchester fire department has purchased, doing a safety check and installing the new tank.
-

- **Grey Rd and Helmer Rd Crossing:** After a long conversation with Transport Canada, the Township should receive notice sometime in April to see if we qualify for the 50% grant and we can also apply for a railway crossing closer that would entitle us to an amount of \$20,000.00 above the 50%. The Township is not obligated to proceed with this project.
