Applications to the Community Improvement Plan Program Now Being Accepted

The Community Improvement Plan (CIP) provides financial incentives for façade improvements, improved signage and building upgrades for eligible commercial properties located in the Villages of Winchester and

Chesterville. The CIP and application form can both be found in the Planning section of the Township website.

Before applying to the program, we strongly suggest that you contact the Township Economic Development Officer, Rob Hunter at the Township office or via email at: rhunter@northdundas.com to determine if your property is eligible for the program. The deadline to apply to the CIP program is Monday March 31, 2014 at 1:00pm.

2014 Landfill Tipping Fees

Please note that as of February 1st, 2014 the Tipping Fees for the Boyne Road Landfill will increase from \$10 a cubic yard to \$15 a cubic yard. Shingles will now be charged separately at a charge of \$25 a cubic yard.

Survey - What Do You Want To See At Your Library

The SD&G County Library provides Library services across Stormont, Dundas, and Glengarry. Library services are a partnership, with the lower-tier municipalities providing the facilities and the County providing the services. The SD&G County Library wants your opinion as we move forward with implementing our Strategic Plan (available at www.sdglibrary.ca).

Between March 15 and May 15, 2014, we're asking all residents of SD&G to fill out a survey about how they use the Library. This survey will help the Library improve its communications, its collections, its hours and its services to better serve you.

Please assist us by filling out the survey online at www.sdglibrary.ca. You can also get a paper copy at your local library branch or Township office. Everyone in the family can fill out a survey. By doing so, you'll also be entered into a draw to win one of six KOBO eReaders! Thank you in advance for your opinions!
