COUNCIL REPORT

To:	CAO, Mayor and Members of Council
From:	Dan Belleau – Director of Public Works
Date of Meeting:	February 4, 2014
Subject:	Monthly Report

- **Snow Removal:** The roads crew have been doing snow removal when weather permits on the narrow side streets of Chesterville and Winchester, using our own equipment. With the mild week in January we were able to ice blade the gravel Rd, cold patch, sign repairs etc....
 - **Street Lights:** Street light replacement project has begun on January 13th, so far they are averaging 50 installations per day project duration is predicted to last 4 to 5 weeks.
 - **Conference:** John Oswald and I will be attending the ROMA/OGRA conference in Toronto on February 24th to the 26th, Darryl Hay will be the main contact during our absence.
 - **Upcoming Projects:** Attached is a list of proposed project by SDG County pending on budget approval.
