COUNCIL RESOLUTIONS

The Waste Management report for the January 7, 2014 consists of the following resolutions.

1. I would ask council to extend the contract submitted by Golder Associates for the proposed 2014 Work Program for the Boyne and Mountain Landfill. The Operations and Development Plan which has been submitted to the MOE has not been finalized by the Ministry. In the spring, it is expected that there will be a consultation period with the Ministry to discuss the O & P. With Golder acting as our consultant for our landfills the consultation period should run smoothly and changes can be implemented quickly.
2. I would ask council to pass the resolution for the increase in Tipping Fees from \$ 10 per cubic yard to \$ 15 per yard. Also that shingles shall now be charged at \$25 per yard. These changes are reflected in the 2014 Waste Management Budget.

Thank you,

Doug
