

Township of North Dundas

COUNCIL REPORT

To:	CAO, Mayor and Members of Council
From:	Dan Belleau – Director of Public Works
Date of Meeting:	June 10, 2014
Subject:	Monthly Report

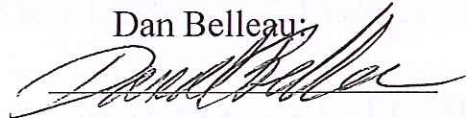

- **Surface Treatment Tender Results:** Tenders were opened on June 2nd, 2014. We received three bids attached is the list of bidders. Staff recommends that Council award the Surface Treatment Tender to the lowest bidder Duncor at the amount of **\$138,585.50** plus HST.
 - **Asphalt Tender:** The County has added the Township to their tender that was awarded to Cornwall Gravel. Waiting for a reply from contractor. Staff will have a recommendation for Council at the June 24th, meeting.
 - **Part Time Help:** The roads department is looking to hire an individual for a period of 12 weeks beginning June 23rd, 2014. The individual will be operating the water truck and performing other duties as assigned. Last summer we had a similar position.
 - **ONICALL:** The Township is now a registered member of ONICALL. This means that any one that requires locate will be contacting ONICALL. They will forward the request to the appropriate utilities including the Township which we will have to locate our underground water & sewer.
 - **Student Employment:** Students are cleaning up at the entrances of hamlets, picking up garbage in the ditches, cleaning flower beds in Boyd parking lot.
-

- **Winchester Storm Sewer Project:** Negotiating with contractor on cost savings.
- **Road Maintenance:** Due to the fact that spring was late coming this year, the road maintenance is also running late. The crew is doing its best to keep up but some jobs are running a little behind. Road crew have replaced road crossing culverts that had been damaged by spring flooding, we are preparing the gravel roads for dust control, patching pot holes, preparing Carruthers Rd and Limerick Rd for a single layer of surface treatment. Road side mowing started the week of May 12th two cuts on each side to begin and will be cutting to fence line second time around.
- **Monthly Activities:**
 - Preparing asphalt Tenders.
 - Opening Surface Treatment Tenders.
 - Meet with Eastern Engineering and AWD contracting on Storm Sewer project.
 - Preparing MPMP for Roads and Water & Sewer department.
 - Meet with Eastern Engineer on the garage expansion.
 - Doing sump-pump inspection for storm sewer project.
 - Working on finalizing the street light project.
 - Dealing with ON1Call to include our underground infrastructure in their system.
 - Dealing with MTO on land acquisition.

Township of North Dundas

COUNCIL REPORT

To:	CAO, Mayor and Members of Council
From:	Mary Lynn, Water/Sewer Assistant Manager
Date of Meeting:	June 10, 2014
Subject:	Water & Sewer Report

1. Chesterville Lagoon Project Update:

RV Anderson is continuing communication with the M.O.E. to try and to expedite the process of obtaining our ECA (Environmental Compliance Approval). Hydro is the process of scheduling the pole re-location at the Chesterville Lagoon site. The MOE has received the PTTW Application (Permit To Take Water) and is reviewing.

2. Water/Sewer Budget First Draft:

First Draft of the Water/Sewer Budget is ready for review. Please see attached:

Mary Lynn Plummer
