  - Officiated at 8 weddings
-

**Action Items:**

**Dawley Municipal Drain – Branch No. 2 Drain Enclosure:**

We have received a copy of the Engineer's Report for the enclosure of a portion of Branch No. 2 of the Dawley Municipal Drain (property owned by Ed Duncan.) A similar request and report was presented to Council in October of 2011 for property owned by Dennis Carkner (very similar procedures listed in report with all costs assessed to the landowner.)

If Council agrees, I will advertise that the public meeting to receive the Engineer's Report will be held on September 16, 2014 at 7:00 p.m. Mr. Brian Tuthill will be in attendance to present the report.

**Compliance Audit Committee Member:**

Once again the Clerks of the SD&G have collaborated to recruit and appoint members to the Joint Compliance Audit Committee. This Joint Committee offers the greatest potential to reach the broadest spectrum of interested applicants and it is a very cost effective solution. In 2010 Jack Barkley represented Dundas. Mr. Barkley has since stepped down from the committee. Roger Cole has agreed to serve for the Municipality of South Dundas and the Township of North Dundas on the SD&G Joint Compliance Audit Committee.

**Livestock Claims presented for payment:**

**Ontario Wildlife Damage Compensation Program:**

John Payne \$138.00

Keith Baker \$300.00

Keith Baker \$438.00

Steve & Yann Bossel \$350.00

Colleen Acres \$300.00

**Dog Predation:**

George Holmes \$325.00
