

Township of

North Dundas

COUNCIL REPORT

To:	CAO, Mayor and Members of Council
From	John Oswald – Patrol Foreman
Date of Meeting:	Oct 11, 2011
Subject:	Public Works Monthly Update (Sep)

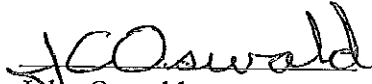

- The cleaning and adding of 3” stone in the bottom of the drain between Old Carriage Lane and Cnty#31 in Harmony is complete.
- The lowering of the Old Carriage Laneway culverts is scheduled for October.
- In South Mountain the walkway between Francis St and Bridge Street was dug out and reinstated with a proper base and Granular “A” used for top dressing. I am allowing it to sit over the winter so that it is ready for paving next year.
- We started to spot grade our roads in preparation for winter, along with on going cold patching of paved roads.
- The Chesterville water front problem with the buried culvert pipe was repaired and pavement was reinstated.
- Replaced road culvert on Winchester Boundary Rd.
- In Winchester, the fence behind the Fire hall was removed and repositioned behind the new trailer.
- Cleaning of the MTO yard and recycling of old culverts brought in \$2053.25.
- Hot patching on going throughout the Township.
- The four trees in Chesterville that the Green gang needed removed from the Chesterville Community Hall and back filled is complete.
- The mechanic is completing all daily work orders
- Truck purchase for Chesterville town plow VS. \$5k to repair existing plow.
- Working on budget amendment for the Chesterville sidewalk between Riverside Dr and William St

Drainage Report

The Baldwin–Farrell drain has been cleaned out this year and I should be starting the Lough Drain with in a week. Sep/19/11 I spoke with Ed Dizazzo about cleaning up the brush that was left on his property from a previous drainage works and assured him that it would be cleaned up Coons trucking from South Mountain will be doing the work. I met with Geoff Owens from South Nation Conservation and picked up a package he had for

me to assist me in meeting the requirements for applying for the permits to do Drainage works. Mr. Dennis Carkner has requested to fill in part of the Dawley Drain that runs beside his business in Winchester and an Engineer's Report has been acquired.

Respectfully submitted,

A handwritten signature in cursive script that reads "JOswald". The signature is written in dark ink and is positioned above the printed name.
