Subject:	Conference request

I would like to attend the Parks and Recreation Ontario conference in Huntsville, ON. The conference will take place March 29, 2011 to April 1, 2011. I would ask Council that Meaghan attend as well as there are many sessions that relate to her responsibilities as our Community Development Programmer. If any members would like to attend I think you would find it interesting.

Thank you,

Mark Guy
