Date of Meeting:	March 2, 2011
Subject:	Monthly Report

- 1. Programming Notes:**
The new Spring/Summer Resource Guide is currently at the printers and will be delivered to our residents the week of March 7. Registration for spring and summer programs will begin on March 21. Residents will be able to register on-line! Meaghan and I have been interviewing candidates for various spring programs and also our March Break camp.
- 2. Ice Rates:**
Attached is a chart showing a four year plan to increase our rates. Council's feedback on this would be appreciated.
- 3. Trees at 100 Club Park:**
All the poplar trees at 100 Club park have been cut down. There is still wood that the contractor has to remove. The recreation staff will do the final clean-up in the spring.
- 4. Potential Youth Centre:**
Upon meeting with Cathy Ashby and listening to her presentation to Council at the February 22 council meeting, I have given some consideration to her proposal. Attached is my report on this.
- 5. Budgets:**
I will be reviewing recreation budget with Council at the March 8 Council meeting.
