# North Dundas

## COUNCIL REPORT

<b>To:</b>	Mayor and Members of Council
<b>From</b>	Angela Rutley
<b>Date of Meeting:</b>	August 14, 2012
<b>Subject:</b>	Water & Sewer report

### 1. Refurbishment of Winchester Water Tower

Painting of the water tower is complete. Initial cleaning of the vehicles affected by the painting is complete. There are nine vehicles with parts that could not be cleaned. Rescom is addressing this with the owners of these vehicles.

### 2. Chesterville Water Meter Tender Package

Mary Lynn and I met with Matt Morris of Eastern Engineering Group Inc. regarding the water meter tender. We had a presentation by a meter supplier to review the products that are available. We have a similar meeting scheduled for August 29<sup>th</sup> with two more meter suppliers. Following that, the tender will be drafted and advertised.

### 3. Storm Internet Proposal for Colocation on Winchester and Chesterville Water Towers

I have been negotiating with Dave Chiswell of Storm, regarding the installation of distribution antennas and radios on the Chesterville and Winchester water towers. I will have a draft agreement at the Council meeting. Installation of the equipment is to begin as soon as possible so Storm can roll out their new services.
