COUNCIL REPORT

To:	CAO, Mayor and Members of Council
From:	Angela Rutley
Date of Meeting:	March 8, 2011
Subject:	Water and Sewer report

1. Chesterville Wastewater Environmental Assessment

I have scheduled a public open house for the phase 3 report on Tuesday, March 29th from 6-7pm. This will precede the Special Council meeting scheduled to commence at 7pm.

2. ISF Project – Winchester Water Transmission Main project (Cathodic protection)

Our application for a deadline extension was approved. With the extension, our costs will be eligible up to October 31, 2011. We will be required to amend our Contribution Agreement to reflect the new deadline.

3. Dawley Drive Servicing

A copy of By-Law #15-2011 that sets the capital charge for water and sewer connections on Dawley Drive was mailed to the affected property owners. Dennis Carkner has asked to enter into a debenture to pay his portion of the cost over a 10 year period. The by-law and associated schedules are attached.

Proposed Notice of Public Open House

**Township of North Dundas
Class Environmental Assessment
Chesterville Wastewater Treatment Upgrade
Notice of Public Open House**

The Township of North Dundas is continuing with the study of capacity expansion for the Chesterville wastewater treatment facility. Expansion will be required in the future to accommodate the growing population of the village of Chesterville. The expansion is expected to include construction activity in the area surrounding the existing site of the Chesterville Lagoon.

This project is being planned under Schedule C of the Municipal Class Environmental Assessment. A Public Open House has been scheduled to review alternative designs and the recommended design. Opportunity will also be given to receive input and comments from interested parties.

PUBLIC OPEN HOUSE DETAILS:

Location: Council Chambers, 636 St. Lawrence Street, Winchester
Date: Tuesday, March 29, 2011
Time: 6:00 PM until 7:00 PM

Subject to the comments received as a result of this Notice and the Public Open House, the Township plans to instruct the consultant to proceed with the planning for this project and an Environmental Study Report will be prepared and placed on the public record for a minimum 30 day review period.

For further information or to provide input/comments on this project please contact Angela Rutley, Township of North Dundas, 636 St. Lawrence Street, Winchester, Ontario K0C 2K0 Telephone (613) 774-2105.

This Notice first issued on March 9, 2011.
