

Township of North Dundas

COUNCIL REPORT

To:	CAO, Mayor and Members of Council
From	Dan Belleau – Director of Public Works
Date of Meeting:	November 26, 2013
Subject:	Monthly Report

- **Construction:** Road Construction is finally completed.
 - **Public Works Department:** Preparing budget for 2014, overseeing Winchester Feeder Main project, Chesterville Lagoon expansion, Street light project. Working with John and Carly on the Asset Management Plan and the application for MIII grant for South St in Chesterville. Reviewing proposed construction plans for the Public Works Garage. Getting list of roads prepared for 2014 construction season.
Met with City of Ottawa to discuss budgeting for future maintenance on Boundary Rds.
Met with SDG County to discuss future projects affecting North Dundas, the County will be forwarding a list of project to the Township in the near future.
Dealing with daily phone calls from the Public.
 - **Mechanics:** The mechanics have been busy doing safety checks on all vehicles and getting everything ready for winter operations.
 - **Road Crew:** The men are using up their well deserved holiday time, we are also getting the roads ready for winter maintenance. Graders will be running on a daily base till freeze up, cold patching, sign repairs, checking out plow routes.
All the guys have been on call for snow since November 11th.
