**TENDER FOR CONTRACT
NO. PW 03-2019**

The Contractor has carefully examined the provisions, plans, specifications and conditions attached to this tender and has carefully examined the site and location of the work to be done under this contract, and the Contractor understands and accepts the said provisions, plans, specifications and conditions and, for the prices set forth in this tender, hereby offers to furnish all machinery, tools, apparatus and other means of construction, furnish all materials, except as otherwise specified in the contract, and to complete the work in strict accordance with the provisions, plans, specifications and conditions attached to this tender.

Tenders shall be open for acceptance for a period of 30 days after the closing date. After this time, the tender may only be accepted with the consent of the successful bidder.

Notification of Acceptance shall be made by prepaid first class mail, addressed to the Contractor at the address contained in the tender and upon such notification of acceptance the within tender shall constitute the contract between the parties. Therefore, no agreement for or other separate document will be required.

It is agreed that the tender quantities are estimated only and may be increased or decreased by the municipality without alteration of the contract price. However, should such increase or decrease exceed 20%, then either party to the contract may request, in writing, that negotiations be carried out to determine if a revised unit price would be appropriate.

INFORMATION TO BIDDERS

Basis of Rejection of Tender

Tenders may be rejected for any one of the following reasons:

- (a) Bids received after closing date.
- (b) Bids received on other than the tender form supplied.
- (c) Bids not completed in ink or by typewriter.
- (d) All items not bid (except where tender form clearly states that award may be made for individual items).
